

Office of Church School Education & Curriculum
Diocese of Philadelphia & Eastern PA
Diocesan Assembly 2011

The Department of Church School Programs & Curriculum sponsored a Youth Activity Booth at the 106th Annual Memorial Day Pilgrimage. Twenty-six young people participated in the activities. Of the 26 participants: 6 were from the Diocese of Philadelphia and Eastern PA, 8 from ROCOR, 4 from St. Mary's Church, Waymart, and 8 from the Diocese of New York/New Jersey and the New England Diocese. The activities included story time, crafts, and a tour of the museum with Fr. John Perich serving as the tour guide.

The Department is available for Vacation Bible School Programs, Teacher Training Programs, and answering Church School Curriculum questions.

Teacher Trainings will be conducted in 2012 throughout the Diocese.

According to the Church and Diocesan Summary, there are 837 children in the Diocese. Are all of the children receiving a church school education?

I would like to thank the parishes that are providing Orthodox Educational Programs.
