

2019 DIOCESAN ASSEMBLY REPORT OF THE OFFICE OF YOUNG ADULT ACTIVITIES

This has been a year of transitions for the Diocesan Youth Department. After a successful Teen Retreat this past February, complications arose that led to the cancelling of the annual Summer Camp Program. In the fall we received the resignations of the long-serving Diocesan Youth Directors (Tatiana Bohush, Nicholas Macura, and Kimberly Metz). We thank them for their many years of service and all the hard work that went into their labors over the years. God grant them many years!

At the Archbishop's direction, the program was reevaluated and after a request from four dedicated individuals of the previous camp program, the Archbishop appointed them as interim directors until a formal plan may be established. We rejoice at the appointment of Rebecca Oliver (Diocese of NY/NJ), Katya Hubiak (St Herman, Gradyville), Dimitri Ressetar (Christ the Saviour, Harrisburg), and David Drobish (St Herman of Alaska, Gradyville), and thank them for their willingness to serve in this capacity.

While details for this year's summer camp are still being finalized, we can report that this February we will be holding an overnight Teen Retreat at Christ the Saviour parish in Harrisburg.

Asking your prayers for this most important ministry – the forming and education of our youth,

Respectfully Submitted,

Fr. Timothy Hojnicky, Youth Department Chaplain
