*"Let your light so shine before men, that they may see your good works and glorify your Father in Heaven."* Matt 5:16

Dearest Family,

A woman called today, in a panic. She received a plea from her unmarried daughter with an infant grandchild looking for shelter. At the same time, the woman's niece was facing homelessness with her newborn.

This woman desperately wanted to do the right thing, but needed YOU!

Together, our love and help for those whose abilities do not match the situations they face, will change hearts and lives. Our world view must reflect our unwavering promise to be unselfish in providing for them, so that God will be glorified in us.

He does not give an increase of wealth so that His people can hoard resources. He gives it so that we may grow in charity, and reach out to the needy around us. Without this, we become selfish and spiritually shriveled up, living in excess while others go without even the barest of necessities.

Please be generous. We must not give ourselves over to materialistic folly this season. Be the healing balm to those who need Him, and an unselfish resource for ZOE for Life!<sup>®</sup>.

With joy in Christ,

Paula M. Kappos

P.S.

Our charity of heart resounds in heaven and calls to the angels to protect us and our loved ones.
